

PETITION OUR CITY COUNCIL GOVERNMENT

We want Free Night & Minimal Weekend Event Paid Parking in Downtown Fayetteville

Paid parking after 5pm and during events on weekends has a negative impact on the cultural and economic vitality of downtown. It hinders patrons and investors. No other North Carolina large city penalizes visitors to their downtown businesses, art venues, restaurants or cultural events by enforcing paid parking in the evening.

Experience over the past year and a half has taught us that paid parking after 5pm drives away customers and visitors, the parking machinery remains defective, the parking signage is inaccurate and there is little wayfinding for visitors. It is time for change.

We are NOT against paid event parking in some parking lots near the stadium during baseball games. There is a need for enforcement to manage usable space for small time periods for baseball games. Away from the stadium area many lots stand empty due to lack of game goers demand, and drive off much-needed weekend business customers. We believe that the length of event parking should be limited to 1 hour before the baseball game and end 1/2 hour after the baseball games. There should be no on street parking enforcement after 5pm at anytime.

Please sign this petition, and share it, in favor of free parking after 5pm and limiting the number of event paid parking and hours in support of all the downtown businesses, restaurants, museums and venues you love.
